

UMAMD Friday Gathering
April 17, 2020
3 pm (Eastern)

Taking part: Nancy Webb, Leo Yates, Hank Jenkins, Brian Burch, Janine Delaunay, Russell Ewell, Bev Hall, Lisa McKee, Bishop Peggy Johnson, Tim Vermande, Michelle Menefee, Jackson Day, & Jonathan Campbell,

Janine Delaney led us in a delightful devotional.

1. How is it with your soul?

Dealing with the postponement of Annual Conferences
How do we keep our messages available for both the deaf and others?
For some of this is the normal that we are used to
How do we continue to be the church in this digital world?
Find myself far more focused on the local church instead of the other roles
New changes next week—will we be able to handle them?

2. Web Devotions

The UMAMD is posting devotions. This is a chance for you to share. Pictures, videos, audio, or written. Send your submission to Tim Vermande at kd5urs@gmail.com Here is the link to a devotion from Bev Hall on World Moya Moya Day

3. New Ways of Doing Ministry

In these changing times, each of us are facing new questions. Do I minister to the Deaf and those who hear at the same time? Screen Sharing—who cares if you are blind? Can we take the time and effort to add captioning to our videos?

Our next meeting will be May 1, 2020
